Montenegro is geographically small but a country that offers a handful of both peace and adventure. Montenegro is special in every inch: every step on the coast offers unforgettable places and atmosphere, the central part is rich in beautiful lakes and rivers, and the exceptional north is known for gigantic mountains and untouched nature.

WILD MONTENEGRO

Highlands of Montenegro

An exciting mountain trail leads from Podgorica through the areas of the autochthonous Montenegro tribe Kući. You visit Kučka korita, which until recently was a summer resort of cattle breeders, and come to Lake Rikavac, a jewel of nature that not even many locals visited. At the end, you visit the branches of the Komovi mountain, a national nature park. Duration 12 hours.

Podgorica • Kučka korita • Rikavac Lake • Komovi

**120.00 eur per participant, min. 3 participants, available May-November*

Between Two Magical Shores

Tour of the shores - Skadar Lake and the Adriatic Sea near the Albanian border. As you pass through the Skadar Lake, you will see many historical sites such as the medieval monasteries of Starčeva Gorica and Beška, the centuries-old chestnut forests, and the Ancient Wells in Ostros. After that, head to Ulcinj, where awaits you an off-road ride through the largest beach on the Adriatic with a characteristic wind that attracts lovers of sea adventure sports. Duration 10 hours.

Podgorica • Virpazar • Skadar Region/Skaderska krajina • Skadar Lake • Ada Bojana

**100.00 eur per participant, min. 3 participants, available whole year*

PURE ADRENALINE

The fact that the deepest European canyon is in Montenegro is not accidental. This whole area of high mountains is intersected by canyons whose majesty is breathtaking. We take you to canyoning both in the south and in the north of the state.

Canyoning - Rikavac
Adventurous 3 hours passage through the canyon located in Stari Bar, near to Rumija. Easy level.

**70.00 eur per participant, available April - October, 2-10 participants*

Canyoning - Škurda
Adventurous 4-5 hours passage through the canyon located near Kotor, Boka Bay. Easy to Middle Level.

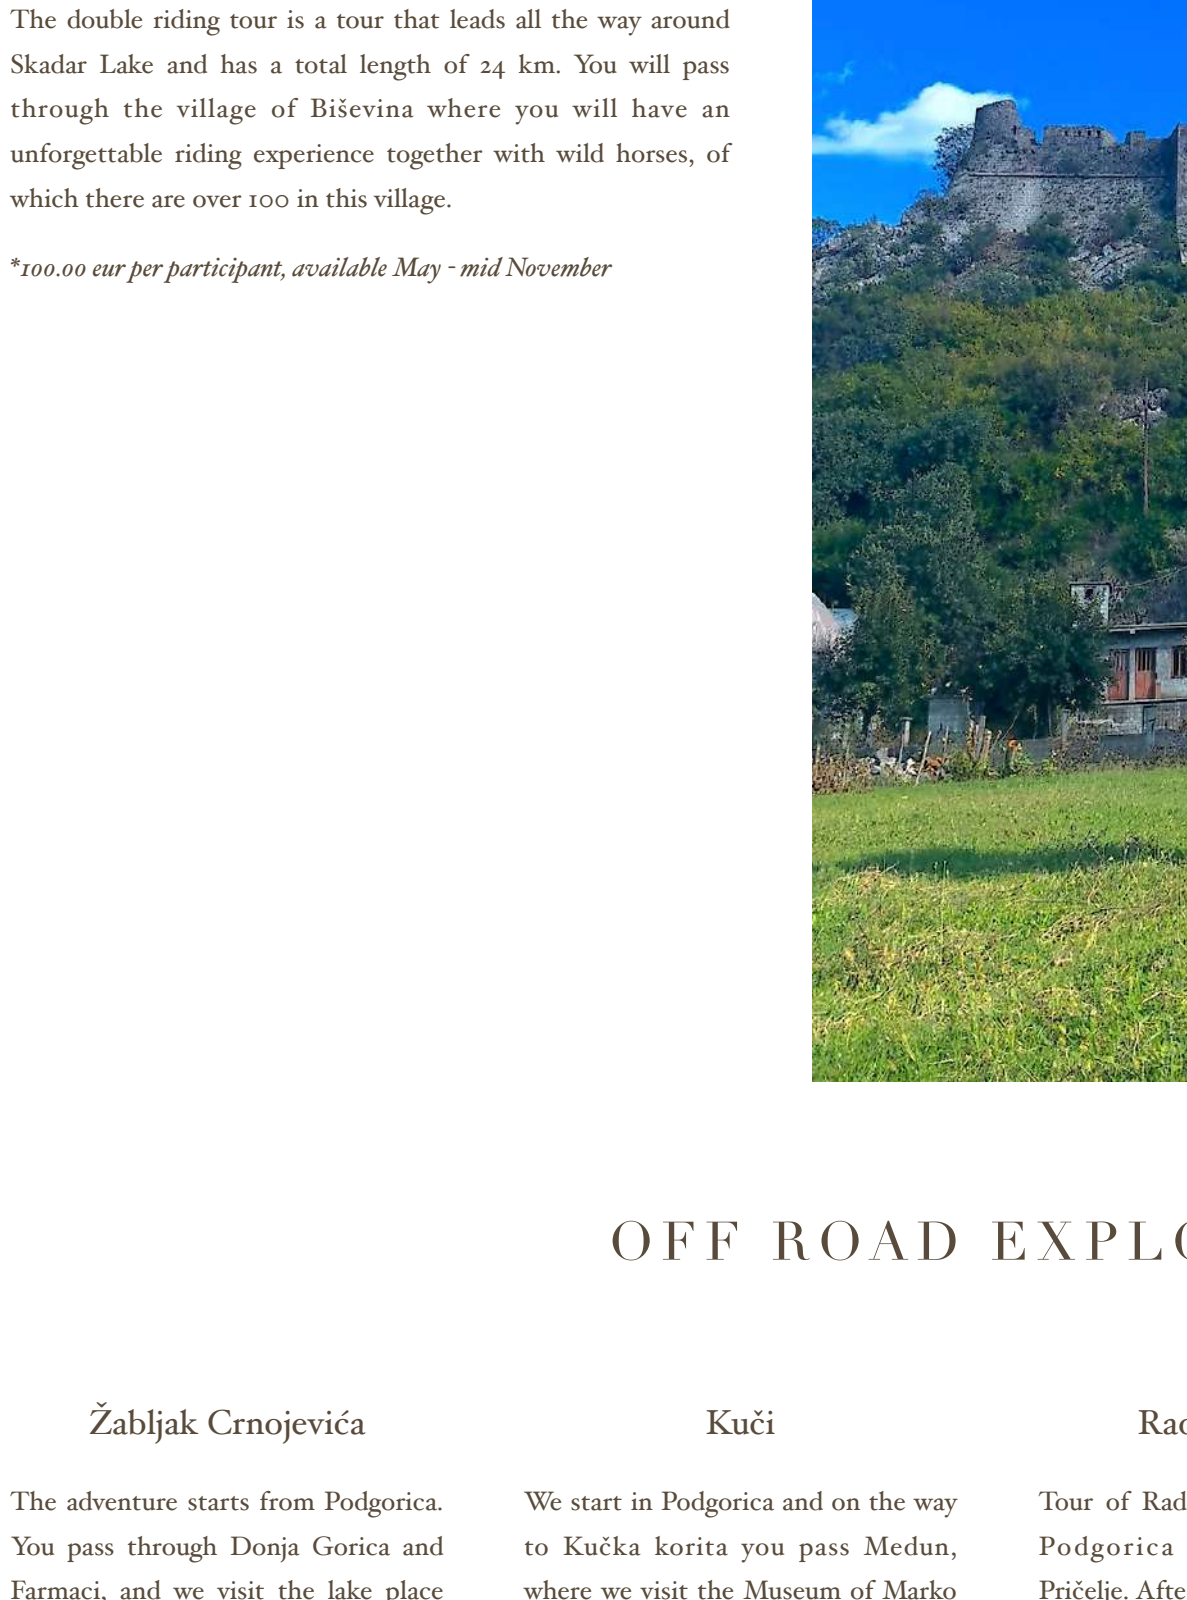

**110.00 eur per participant, available April - October, 2-10 participants*

Canyoning - Meduriječ
Adventurous 4-5 hours passage through the canyon located near Bar. Middle Level.

**130.00 eur per participant, available April - October, 2-10 participants*

Canyoning - Nevidio
Adventurous 5-6 hours passage through the canyon located near Savnik, northern small city. Hard Level.

**120.00 eur per participant, available June - October, 2-10 participants*

THE TEAR OF EUROPE

Rafting on Tara takes place on the most exciting section of the river from Bršanovica to Šćepan Polje. It is about 8 km long and the activity lasts 6 hours. Rafting on the Tara will give you adrenaline jumps through the sparkling rapids known as Borovi, Čelije, Vjernojevića buk, and then riding on a series of waterfalls at a short distance. Breakfast and lunch are included in the price.

**40.00 eur per participant, available 25 April - 15 October*

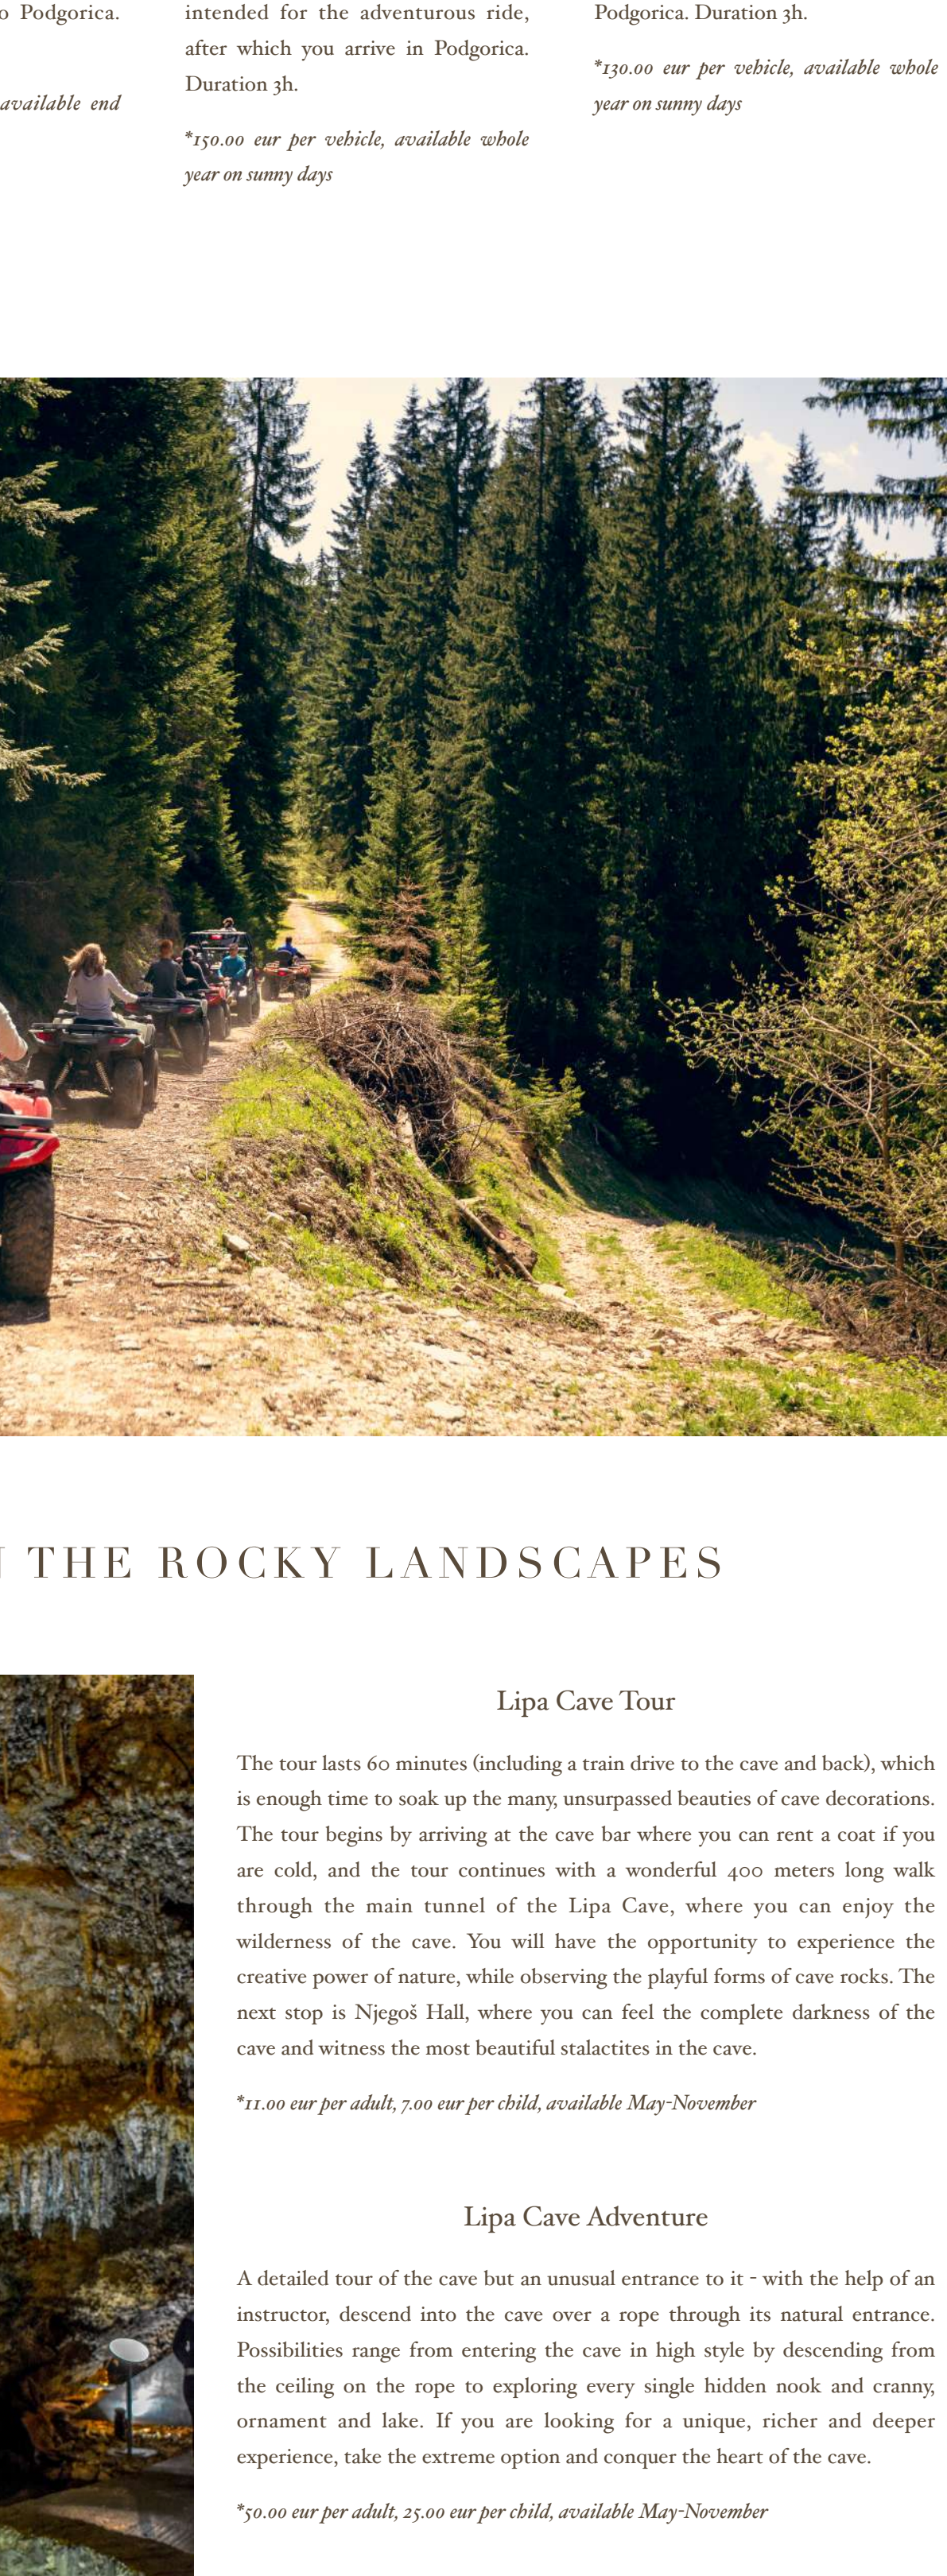

HORSE RIDING THROUGH HISTORY

Ride horses through the spectacular trail around Skadar Lake - from the historic fortification of the Crnojević dynasty - Žabljak Crnojevića to the resort Dodoši where there is a restaurant, beach and picnic area. The length of the trail in one direction is 6 km, and the total time spent on the excursion is about 5 hours.

**50.00 eur per participant, available May - mid November*

The double riding tour is a tour that leads all the way around Skadar Lake and has a total length of 24 km. You will pass through the village of Biševina where you will have an unforgettable riding experience together with wild horses, of which there are over 100 in this village.

**100.00 eur per participant, available May - mid November*

OFF ROAD EXPLORING

Žabljak Crnojevića

The adventure starts from Podgorica. You pass through Donja Gorica and Farmaci, and we visit the lake place Boje sestre (short break) and then continue towards Ponari, while in search of wild horses you come to Biševina. After that the tour continues to Žabljak Crnojevića fortress. There is an option to have a lunch "at Karb". After break, the tour cross Cetkin field towards the lake village Dodoši through the Skadar Lake National Park. Duration 4h.

**150.00 eur per vehicle, available end April - mid October*

Kući

We start in Podgorica and on the way to Kučka korita you pass Medun, where we visit the Museum of Marko Miljanov, the famous Montenegrin duke. After that you will go through the route Korita - Rikavac Lake - Bukumir Lake, where you can swim in the summer months. After the break, via Ubli we go back to Podgorica. Duration 10h.

**240.00 eur per vehicle, available end April - mid October*

Radević Winery

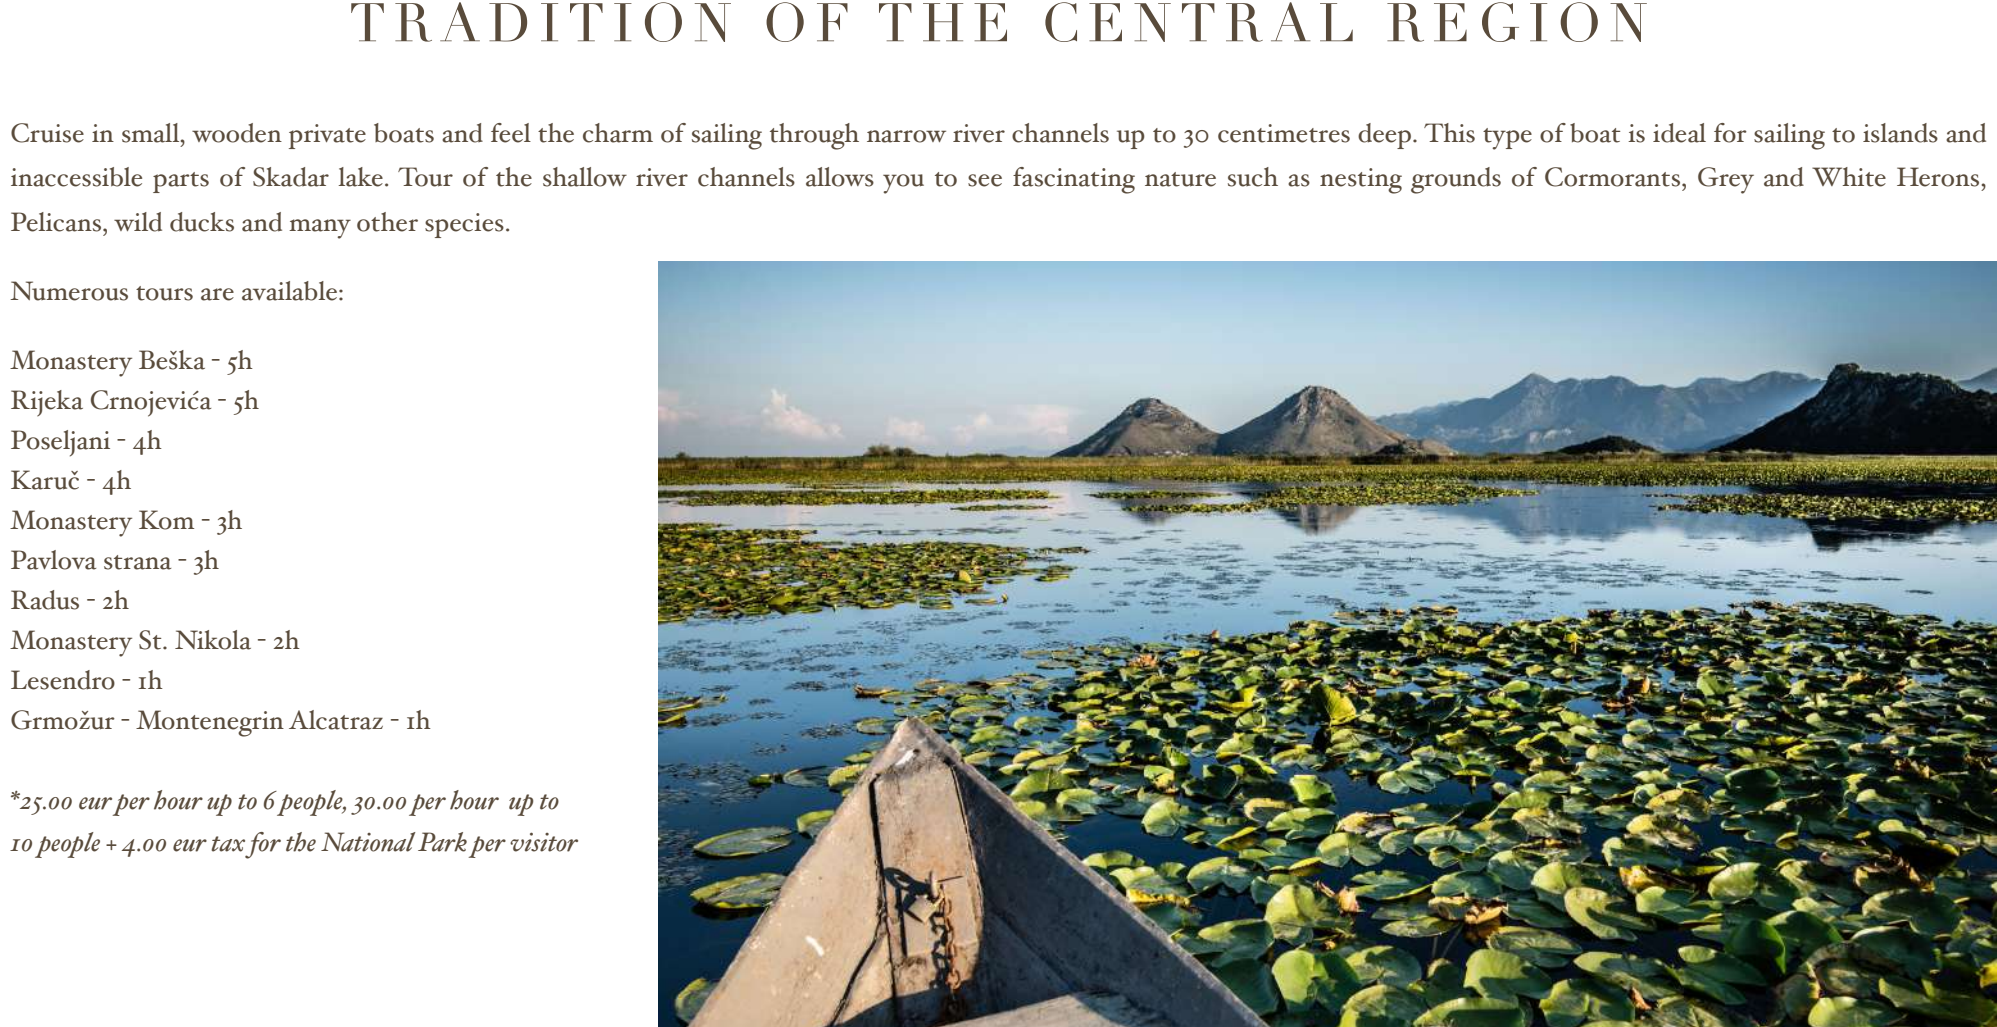

Tour of Radević Winery starts from Podgorica via Vranici, Rogami, Pričelje. After arriving at the winery, a free food tasting and drinks are planned, which last about an hour and a half. You continue to Spuž, Podgorica's water source Marez, and then you enter the part of the road intended for the adventurous ride, after which you arrive in Podgorica. Duration 3h.

**150.00 eur per vehicle, available whole year on sunny days*

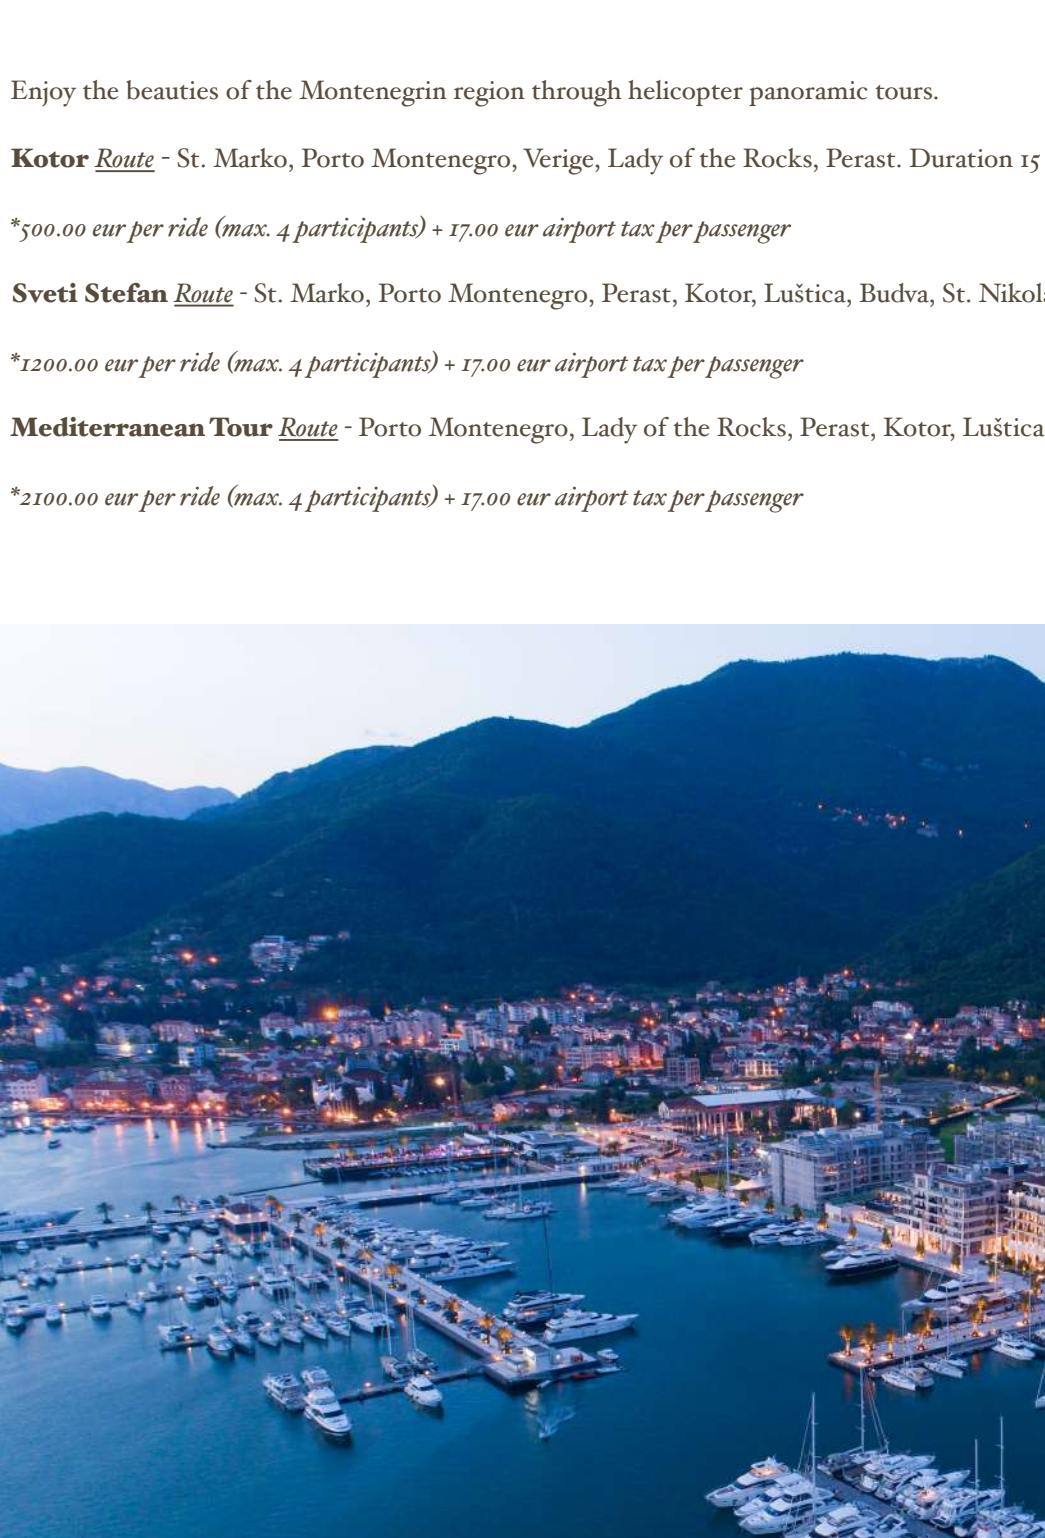

Circle around Podgorica

We start from Podgorica towards Čemovsko polje, where we enter the off-road, pass by the Sheep Farm, Plantaže vineyard, cross towards the hill then take a break on the point with a view of Podgorica. After a short break you head towards "Niagara Falls" and then back to Podgorica. Duration 3h.

**130.00 eur per vehicle, available whole year on sunny days*

ATTRACTION IN THE ROCKY LANDSCAPES

Lipa Cave Tour

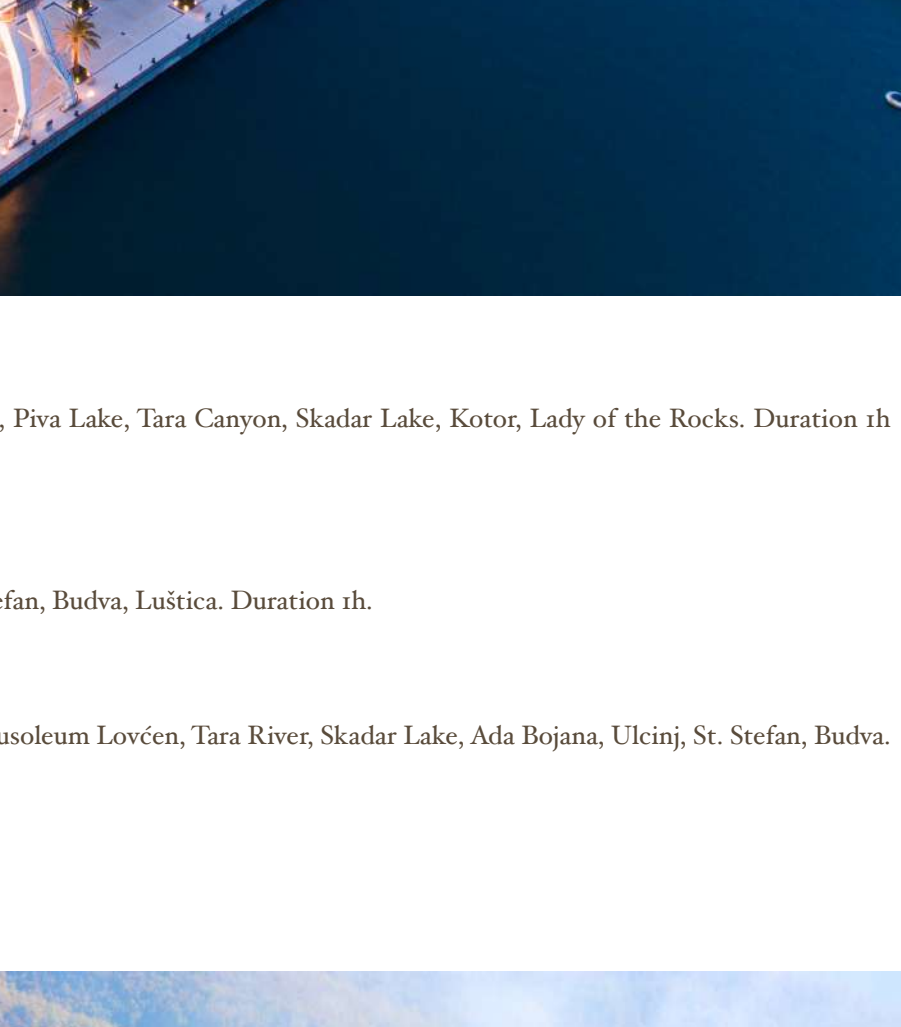

The tour lasts 60 minutes (including a train drive to the cave and back), which is enough time to soak up the many unsurpassed beauties of cave decorations. The tour begins by arriving at the cave bar where you can rent a coat if you are cold, and the tour continues with a wonderful 400 meters long walk through the main tunnel of the Lipa Cave, where you can enjoy the wilderness of the cave. You will have the opportunity to experience the creative power of nature, while observing the playful forms of cave rocks. The next stop is Njeguš Hall, where you can feel the complete darkness of the cave and witness the most beautiful stalactites in the cave.

**11.00 eur per adult, 7.00 eur per child, available May-November*

Lipa Cave Adventure

A detailed tour of the cave but an unusual entrance to it - with the help of an instructor, descend into the cave over a rope through its natural entrance. Possibilities range from entering the cave in high style by descending from the ceiling on the rope to exploring every single hidden nook and cranny, ornament and lake. If you are looking for a unique, richer and deeper experience, take the extreme option and conquer the heart of the cave.

**50.00 eur per adult, 25.00 eur per child, available May-November*

A SMALL COUNTRY OF GREAT WINES

A tour of one of the largest and most beautiful vineyards in Europe - Čemovsko polje and three wine cellars: Šipčanić, Stari Podrum and Lještopoolje. Guided wine tasting of the premium series: Chardonnay Barrique, Vranac Barrique, Vranac Reserve, Luča, Pro Anima Pinot Blanc, Vladika with food arrangement. These wines are well-known and internationally awarded, so we can freely say that they have become a national brand.

**65.00 eur per person, available whole year*

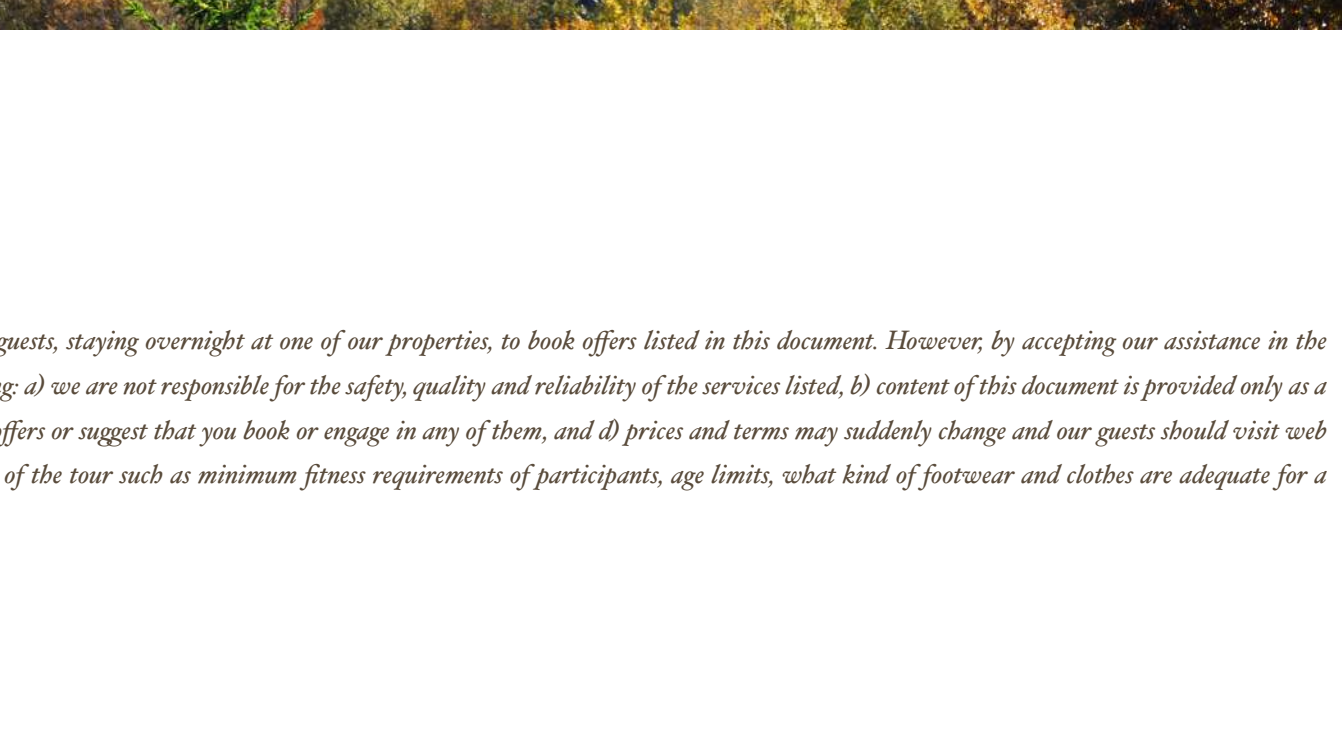

TRADITION OF THE CENTRAL REGION

Cruise in small, wooden private boats and feel the charm of sailing through narrow river channels up to 30 centimetres deep. This type of boat is ideal for sailing to islands and inaccessible parts of Skadar lake. Tour of the shallow river channels allows you to see fascinating nature such as nesting grounds of Cormorants, Grey and White Herons, Pelicans, wild ducks and many other species.

Numerous tours are available:

Monastery Beška - 5h
Rijeka Crnojevića - 5h
Poseljani - 4h
Karuć - 4h
Monastery Kom - 3h
Pavlova strana - 3h
Radus - 2h
Monastery St. Nikola - 2h
Lesendo - 1h
Grmožur - Montenegro Alcatraz - 1h

**25.00 eur per hour up to 6 people, 20.00 eur per hour up to 10 people + 4.00 eur tax for the National Park per visitor*
